 - Resolution 7 Series 2024: Resolution in Opposition of HB24-1152
 - Unhoused Public Meeting Final Details & Trustee Decision
 - Ballot Survey Update Discussion & Action
- J. *Items for March 13, 2024 Meeting*
 - *Executive Session – Legal Advice Regarding Wastewater Treatment Plant Litigation Update*
 - *Public Hearing: Ordinance 778 Series 2024: Empire Electric Franchise Agreement First Reading*
 - *Cortez Animal Shelter IGA*
 - *Possible New Liquor License (tentative)*
- K. Adjournment

Town of Mancos & Mancos Conservation District Partnership Update

January 1, 2024

Urban Water Conservation

Water Conservation Educational Materials

- MCD has been sharing water conservation-based messages on social media.
- MCD has begun storyboarding a Municipal water conservation story
 - We envision conducting interviews with municipal water providers, like the Town, Mancos Rural Water, and Mesa Verde to share about how these entities are working to conserve water in the Valley through an engaging 'story'.
- MCD met with Resource Central to discuss bringing their native landscaping program, Garden in a Box, to Southwestern Colorado to engage residents in low water alternatives for turf.
- MCD has begun to brainstorm for a spring workshop to highlight water conservation, native landscape, and soil health for residents.

Mancos Public Library Friday Program

MCD resumed teaching "River Literacy" lessons on the first and third Friday of every month for the Mancos Public Library's Friday Program. Taylor and Sensa create lessons each month that engage elementary-aged students on the importance of, and our connection to, the Mancos River.

- November - We held two lessons on the importance of Beavers in our watershed. The kids learned about beaver habitat, the benefits of beavers, and how to create their own beaver dams to slow down the flow of water.
- December - We held two lessons, one focused on clouds and weather and the other on snowflakes.

Partners in the Outdoors Grant

MCD received the Partners in the Outdoors grant from Colorado Parks and Wildlife to focus on adult environmental education and stewardship. For this grant, MCD has hosted The Mancos Splash, a Mancos River Cleanup Day, and Mancos Watershed Tour.

Mancos School District Partnership - 5th Grade Art Class

MCD staff worked with art teacher, Alys, and both 5th grade classes to create conservation posters with the theme “One Water”. Students took several weeks to create their posters with MCD staff visiting during their class time to answer any questions they had about conservation. After the posters were finished, they were hung up at the Mancos Public Library for three weeks for the public to vote and pick their top 3 favorites. After winners were selected, staff had a party with the 5th grade students to announce the winners and have cupcakes to celebrate all of their hard work.

Mancos School District Partnership - 8th Grade Science Fair Project

Sensa worked with an 8th grade student to plan his science fair project and conduct his research. Sensa aided in coordinating the collection of soil samples on private property and the analyzing of data with Kirsten Brown from the Department of Mining, Reclamation, and Safety. The science fair project will be presented at the science fair on January 19th.

Mancos School District Partnership - Mancos High School Chemistry Class

MCD staff have been working with the High School Chemistry teacher to provide once a month lessons on River Watch to students. We have completed 1 introduction lesson on water quality monitoring and why it's important and 2 sample collection lessons where students are learning to collect and titrate their samples.

Next Steps:

- Explore drought planning options for the ToM in order to avoid scenarios where water can't be provided to ToM residents.
- Continue creating water conservation education materials such as 'slogans' that can be placed on bills and social media
 - Topics could include: rain barrels, soil moisture measuring for lawns, turf replacement, xeriscaping,
- MCD will continue to support the Town on water conservation efforts and campaigns
- MCD will be hosting more adult engagement opportunities through the Colorado Parks and Wildlife grant to engage residents on topics around conservation.

TOWN OF MANCOS
BOARD of TRUSTEES MEETING MINUTES
February 14, 2024
7:00 p.m.

A. CALL TO ORDER – Mayor Queenie Barz called the meeting to order at 7:00 p.m.

B. PLEDGE OF ALLEGIANCE AND MOMENT OF SILENCE

C. ROLL CALL – Present: Mayor Queenie Barz, Trustee Nick Manning, Trustee Janice Bryan, Trustee Richard Tokar, Trustee Brent McWhirter, Trustee Ed Hallam, Student Liaison Haylie Higgins.

Absent: Mayor Pro Tem Cindy Simpson

K. Items for February 28, 2024 Meeting

- *Mancos Creative District Joint Meeting (workshop)*
- *Public Hearing: Ordinance 778 Series 2024: Empire Electric Franchise Agreement First Reading*
- *Mancos Chamber/Mancos Creative District Sales Tax Distribution FYI*
- *Resolution 6 Series 2024: 2024 Dispatch Agreement Renewal (tentative)*
- *Unhoused Meeting Dates from Justen Goodall and Jason Armstrong*

L. ADJOURNMENT – Trustee Ed Hallam made the motion to adjourn the meeting at 7:58 pm.

Deputy Clerk/ Court Clerk Mercedes Yanito

STAFF REPORT

To: Honorable Mayor and Trustees
From: Heather Alvarez, Town Administrator
Date: February 28, 2024
Re: 2023 Sales Tax Revenue Update

Recommendation

None – FYI only

Background/Discussion

The attached information reflects unaudited revenue for 2023 with respect to sales tax. Our current sales tax rate is 4% for the Town of Mancos, and our 2023 unaudited revenue for this line item is \$1,177,867.19.

In 2022, we started a 3-year pilot program to share sales tax revenue with the Mancos Valley Chamber of Commerce and the Mancos Creative District. We agreed to share 10% of our sales tax revenue from lodging and arts each year for three years to assist them with their economic development efforts.

In 2022, the total for these two categories was \$66,042.40, so we split \$6,604.24 between the two organizations.

In 2023, the total for lodging and art categories is \$66,016.27, so we will split \$6,601.63 between the Mancos Valley Chamber of Commerce and the Mancos Creative District.

Fiscal Impact

\$6,601.63 from sales tax revenue

STAFF REPORT

To: Honorable Mayor and Trustees
From: Heather Alvarez, Town Administrator
Date: February 14, 2024
Re: Dispatch Service Agreement

Recommendation

Recommend signing the proposed IGA for Dispatch Services from City of Cortez

Background/Discussion

The City of Cortez has submitted a revised agreement to us for our signature. The new agreement is attached here with our concerns and comments.

While the users of Cortez Dispatch services were advised that a new IGA was being drafted, we were not part of the discussions between Montezuma County and the City of Cortez. According to an email received from the Cortez City Attorney, *“As Montezuma County and the City of Cortez are the primary users of the Dispatch Center, and as the City of Cortez is the operator of the Dispatch Center, those two entities jointly determined that a revised IGA was necessary due to many problems with the prior agreement. The version that you reviewed is what the City and the County jointly agreed was the preferred document. The version you received was sent to all of the Member Jurisdictions in the Dispatch Center, and some of the Member Jurisdictions have already presented the document to their respective governing boards and have returned the agreement approved and signed. **The County and the City are not interested in negotiating individually with all twelve of the other Member Jurisdictions.**”*

In my opinion, the City of Cortez and Montezuma County have left us with no choice but to execute this agreement to ensure that our citizens and staff have access to emergency dispatch services.

Fiscal Impact

Executed 2023 Dispatch Agreement
Proposed 2024 Dispatch IGA

TOWN OF MANCOS

Resolution 6 Series 2024

A Resolution Approving the Intergovernmental Agreement For Dispatch Services Throughout Montezuma And Dolores Counties, Colorado Including Federal Agencies, Authorizing Mayor Ellen “Queenie” Barz to execute the Dispatch Services Intergovernmental Agreement And Authorizing the Mancos Marshal To Appoint A Representative And An Alternate To The User Group To Represent The Town of Mancos

WHEREAS, the Town of Mancos has entered into an intergovernmental agreement with the City of Cortez regarding the provision for dispatch services in Montezuma and Dolores Counties: and

WHEREAS, the intergovernmental agreement is in the best interests of all of the involved governments.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN BOARD OF THE TOWN OF MANCOS, that the Intergovernmental Agreement for Dispatch Services attached hereto and incorporated herein as Exhibit 1 is approved, Mayor Ellen “Queenie” Barz is authorized to execute this agreement and the Mancos Marshal is authorized to appoint a representative and an alternate to the User Group to represent the Town of Mancos

Passed, Adopted and Approved this 14th day of February, 2024.

Ellen “Queenie” Barz, Mayor

Jamie Higgins, Town Clerk

INTERGOVERNMENTAL AGREEMENT FOR DISPATCH SERVICES

THIS INTERGOVERNMENTAL AGREEMENT is made and entered into effective as of _____, 2024 (the “Effective Date”), by and between the County of Montezuma, Colorado, the City of Cortez, Colorado, the Town of Mancos, Colorado, the Cortez Fire Protection District, the Dolores Fire Protection District, the Mancos Fire Protection District, the Lewis-Arriola Fire Protection District, the Pleasant View Fire Protection District, Montezuma County Hospital District, the County of Dolores, Colorado, and the US Department of Interior, National Park Service, Mesa Verde National Park (collectively the “Member Jurisdictions” or the “Parties,” and individually as a “Party”).

RECITALS

WHEREAS, Article XIV, Section 18 of the Colorado Constitution, and Part 2 of Article 1, Title 29, Colorado Revised Statutes, encourage and authorize Colorado state and local governments to cooperate and contract with one another, and with the government of the United States, to provide any function, service, or facility lawfully authorized to each; and

WHEREAS, the Member Jurisdictions, all located in Montezuma and/or Dolores Counties in Colorado, including multi-jurisdictional representation from law enforcement, fire, emergency medical services, and bodies politic, believe that a **user group** will provide the most cost-efficient and effective emergency dispatch services throughout the areas served by the Member Jurisdictions; and

WHEREAS, the Member Jurisdictions and residents of Montezuma and Dolores Counties would benefit in terms of enhancement of life safety and efficiency of service from the Member Jurisdictions entering into this consolidated intergovernmental agreement to provide services for the various Member Jurisdictions (this "Agreement"); and

WHEREAS, the Member Jurisdictions wish to enter into and comply with this Agreement for the purpose of operating and managing a dispatch center to be located inside the City of Cortez Police Department (the “Dispatch Center”); and

WHEREAS, entering into and compliance with this Agreement will provide improved police, fire, and emergency medical service communications, within the boundaries of the Member Jurisdictions; and

WHEREAS, as part of this endeavor, the Montezuma County Board of County Commissioners, acting as the Montezuma County Emergency Telephone Authority (the “E-911 Authority”), shall continue to be responsible for an E-911 related emergency telephone system.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties agree as follows:

Commented [HA1]: 2023 version stated: wish to establish and maintain a consolidated intergovernmental agreement for the “operations and management of a Dispatch Center”

I. GENERAL PROVISIONS

The Parties agree to support the Dispatch Center and will establish a user group. The Dispatch Center shall provide emergency dispatch services throughout the service area that the Member Jurisdictions serve (the "Dispatch Services"). The operation of the Dispatch Center shall be set forth in this Agreement.

Commented [HA2]: Used to state "accountability committee" so this is going away. This is throughout agreement, so I won't continue to call it out.

II. THE DISPATCH CENTER USER GROUP

A. **User Group Members.** A user group of the Dispatch Center is hereby established (the "User Group"), and it shall consist of individuals appointed by each of the eleven (11) Members Jurisdictions (the "UG Members"). Each UG Member shall be appointed by the governing board, council, or authorized agency or department of their respective Member Jurisdictions, and their appointment shall be accomplished by resolution or other applicable formal action. On or before the Effective Date, a written confirmation of the appointment of each UG Member shall be submitted by each Member Jurisdiction along with this Agreement bearing the signature of an authorized signatory of the Member Jurisdiction.

Commented [HA3]: No longer "Committee Members"

B. **Administrative Representative.** Under Section V, Subsection (E) herein, the City of Cortez (the "City") commits to providing support staff and administrative services necessary to accomplish the Dispatch Services at the Dispatch Center. So long as the City continues to provide such support services, the City of Cortez City Council may appoint an administrative representative with voting privileges to serve as the twelfth UG Member on the User Group. In the event, another Member Jurisdiction assumes the City's obligation to provide support staff and administrative services for the Dispatch Center, that Member Jurisdiction may appoint its own administrative representative with voting privileges to serve as the twelfth UG Member on the User Group.

III. RULES AND REGULATIONS OF THE USER GROUP

The User Group will recommend to the Cortez Police Chief supplementary rules and regulations governing the operation of the Dispatch Center as it deems appropriate, provided the supplementary rules and regulations comply with this Agreement. The Cortez Police Chief shall have the sole discretion to adopt and implement any recommended rules and regulations.

Commented [HA4]: This is completely new and the users were not consulted.

IV. POWERS OF THE USER GROUP

A. **Dispatch Services.** The purpose of the Dispatch Center, located at 608 N Park St., Cortez, Colorado 81321, is to provide the Dispatch Services throughout the areas in which the Member Jurisdictions provide services. The **User Group** shall make recommendations and provide service performance information to the Cortez Police Chief.

B. **Dispatch Reports.** Member Jurisdictions shall receive quarterly management reports on or before fifteen (15) days prior to the quarterly meeting of the User Group. The reports shall consist of financial, personnel, and operational information relating to the operation of the Dispatch Center (the "Dispatch Reports"). The Dispatch Reports shall contain the following information, generated

Commented [HA5]: This entire section has been replaced removing any ability we have to request records regarding Dispatch Services. Absolutely do not agree.

Commented [HA6]: Used to be monthly. We were not consulted regarding this change.

by the computer-aided dispatch system and such other sources as the City deems appropriate, for each call dispatched: incident location, time call received, notification time, en-route time, time of arrival at the scene, and time back in service.

Commented [HA7]: Absolutely do not agree. We should be allowed to request the records we deem appropriate, whether or not City agrees.

C. Ownership of Records and Data. All records of the Dispatch Center relating to specific calls dispatched, including electronically stored data, geographic information system ("GIS") data, computer-aided dispatch ("CAD") data, and audiotapes, shall be owned by the particular Member Jurisdiction(s) for which the specific call was dispatched. Copies of any such records belonging to a particular Member Jurisdiction may be made at that Member Jurisdiction's request and shall not be disposed of without prior authorization from or in compliance with a retention schedule adopted by the Cortez Police Chief, which retention schedule shall comply with all applicable laws and regulations.

Commented [HA8]: Used to be "collectively owned"

- i. Access to Data. Each Member Jurisdiction shall have access to all data and audio recordings maintained by the Dispatch Center for internal analysis and criminal investigations. It is the responsibility of each Member Jurisdiction to provide any criminal justice records for case filing purposes directly to the respective court or prosecutor involved in a particular case.
- ii. Records Request. Any records released must be records specific to only the Member Jurisdiction requesting the record. One Member Jurisdiction may not request records of another Member Jurisdiction without the express written consent of that other Member Jurisdiction, and such written consent shall be submitted with the request for records.
- iii. Colorado Open Records Act. Records owned, created, or maintained by the Dispatch Center shall be subject to the provisions and limitations of the Colorado Open Records Act, C.R.S. § 24-72-201, et seq., and the Colorado Criminal Justice Records Act, C.R.S. § 24-72-301, et seq., and any applicable federal records laws and regulations.

V. ADMINISTRATION

A. **User Group**. It is the overriding and critical desire of all the Member Jurisdictions to ensure that all the Parties maintain a strong and united working relationship. To accomplish that objective, the Parties shall form the **User Group**, which shall be comprised of a representative from all Member Jurisdictions (the "UG Members"). The Cortez Police Chief, upon the request of any UG Member, or at the Cortez Police Chief's discretion, may call a meeting of the **User Group** upon seventy-two-hour's prior written notice to all UG Members. Email correspondence from a UG Member may be used to satisfy the written notice requirement.

Commented [HA9]: This leaves the decision to agree to call a meeting up to the Cortez Police Chief and removes the ability to call a meeting from all other jurisdictions.

- i. Operating Procedures. The **User Group** shall review Standard Operating Procedures and Dispatch Performance Standards for the Dispatch Center. Recommendations of the **User Group** shall be presented to the Cortez Police Chief.
- ii. Personnel Matters. The **User Group** shall review employee regulations and make staff performance recommendations concerning the Dispatch Center employees to the

Cortez Police Chief. The Cortez Police Chief, or his designee through his City of Cortez chain of command, shall be solely responsible for all employment decisions relating to employees of the Dispatch Center, including, without limitation, management, discipline, and promotions.

Commented [HA10]: This is new.

iii. Dispute Resolution. The User Group will conduct a preliminary discussion of all unresolved disputes between Member Jurisdictions, Dispatch Center employees, or other issues relating to the operation of the Dispatch Center, and based upon such discussions, the User Group shall make recommendations to the Cortez Police Chief.

iv. Matters of Concern. The User Group will be the proper forum for discussion amongst the Parties of other matters of concern any Party may have concerning the operation of the Dispatch Center and the implementation of this Agreement.

B. Capital Equipment Purchases. It may be necessary to purchase hardware, software, and other equipment to operate the Dispatch Center and provide the Dispatch Services. As part of this endeavor, the E-911 Authority shall continue to be responsible for the 911 Surcharge.

The Party that purchased any personal property or equipment to be used in the Dispatch Center shall continue to own such property or equipment unless that Party transfers ownership to another Member Jurisdiction in writing. All purchases must be made in compliance with the Dispatch Center operating budget and the 911 Surcharge budget, with purchasing procedures approved by the Cortez Police Chief, the User Group, and the 911 Authority.

Commented [HA11]: These items used to be collectively owned. Now basically solely owned by City of Cortez.

C. Annual Budget. The Annual Budget shall be based upon an analysis of actual expenses and revenues from the previous year, which shall be prepared annually by the Cortez Police Chief and City of Cortez Finance Director. A final and updated budget request shall be reviewed annually by the User Group per Section V(C)(iii).

The costs allocated to each Member Jurisdiction shall be outlined in the annual budget, which shall be prepared by the Cortez Police Chief. The User Group shall have the opportunity to review and provide comments concerning the annual budget to the Cortez Police Chief. The annual budget shall include an estimate of the operational costs for each Member Jurisdiction based on each Member Jurisdiction's percentage of total calls for service. The billing statement shall reflect each Member Jurisdiction's use of the Dispatch Center as a percent of all Member Jurisdictions' total usage for the preceding year. Billings to Member Jurisdictions shall be based upon the percentage of calls each Member Jurisdiction incurred in the prior year, and there shall not be any minimum billing for any Member Jurisdiction.

Commented [HA12]: The yearly budget used to be by mutual agreement of Accountability Committee and Cortez Chief. Now Cortez Chief has sole authority to prepare budget, regardless of comments provided by member jurisdictions.

Commented [HA13]: Unilaterally removes the 1% billing minimum.

i. Preliminary Budget. An initial preliminary operation and capital budget for Dispatch Services ("Preliminary Budget") for the next fiscal year shall be presented by the Cortez Police Chief to the User Group on or before August 31st of each year.

Commented [HA14]: July in prior agreement.

ii. Recommended Budget. No later than September 30th of each year, each Member Jurisdiction shall present the Preliminary Budget to their respective governing board, council, or entity for comment.

Commented [HA15]: August in prior agreement.

iii. Final Requested Budget. The final requested budget for Dispatch Services (“Final Budget Request”), containing the recommendations from the Member Entities’ governing boards, councils, or entities, and the **User Group**, shall be presented by the Cortez Police Chief to the City of Cortez Finance Director no later than October 15th of each year. The Cortez City Council will consider the Final Budget Request as part of its annual process for adopting the City of Cortez budget by December 31st of each year.

iv. Purchasing Considerations. The **User Group** shall review and recommend purchases not included in the Final Budget Request to the Cortez Police Chief for equipment and services necessary to provide the Dispatch Services. Purchases to be made by the E-911 Authority shall not be subject to review by the User Group.

D. Employees. The **User Group** shall have the authority to make recommendations to the Cortez Police Chief on the performance and service standards of the Dispatch Center personnel. The **User Group** may select participants to an oral board and any other board or committee as requested by the Cortez Police Chief.

E. Administrative Services. The City of Cortez shall provide support staff and administrative services for the Dispatch Center. An appendix of services to be provided shall be attached hereto and incorporated herein as **Exhibit A**. On or before August 31st annually, the City of Cortez shall inform the User Group of the total cost of administrative services incurred by the City of Cortez in the prior year, which amount shall constitute the fee for administrative services for the subsequent year (the “Administrative Services Fee”). The portion of the Administrative Services Fee allocated to each Member Jurisdiction shall be based upon each Member Jurisdiction’s total calls for service in the prior year as a percent of all Member Jurisdictions’ total calls for service for the prior year.

F. Joint Meetings. The **User Group** shall request, at a minimum, one annual joint meeting with the members of the E-911 Authority. The purpose of this meeting shall be to provide operational updates, capital improvement needs, enhance transparency, and foster communication between E-911 Authority and the Dispatch Center.

VI. MEETINGS

A. Annual Meetings. The **User Group** shall hold an Annual Meeting which shall occur each January on the third Thursday of the month. The **User Group** shall designate a time and location for the Annual Meeting. If the **User Group** fails to establish a time and a place, the Annual Meeting shall occur at 3 p.m., and shall be held at the Cortez Police Department, located at 608 N. Park St, Cortez, CO 81321. At the Annual Meeting, the Cortez Police Chief shall be named Chairperson of the User Group. The Cortez Police Chief shall also appoint a co-chair during this meeting.

B. Regular Meetings. During the Annual Meeting, the **User Group** shall establish a calendar scheduling regular meetings throughout the year, which at a minimum, must occur on a quarterly basis (individually “Regular Meeting,” and collectively “Regular Meetings”). The **User Group** shall decide the time and location of Regular Meetings by a majority vote of the **UG** Members

Commented [HA16]: This is new and allows Cortez to unilaterally request purchases from E911 authority without accountability review or discussion.

Commented [HA17]: This is new. It is a new fee/charge instituted by the City of Cortez with no discussion or even information submitted to the existing accountability committee. Strongly disagree.

Commented [HA18]: Was fourth Thursday. Was the accountability committee consulted on this change to ensure all jurisdictions may be present?

Commented [HA19]: See previous comment.

present at the Annual Meeting. In the event, the **User Group** fails to designate a time and a place for the Regular Meetings, the Regular Meetings shall occur at 3 p.m. on the third Thursday of the month, at least every three months, and shall be held at the Cortez Police Department located at 608 N. Park St, Cortez, CO 81321. The **User Group** may cancel or reschedule a Regular Meeting by the written agreement of a majority of the **UG Members**, after written notice of a request to cancel or reschedule has been provided to all of the **UG Members** no less than seventy-two hours prior to the then currently scheduled Regular Meeting.

Commented [HA20]: See previous comment

C. Notice of Meetings. Written notice for all meetings required by this Agreement shall be given at least 72 hours prior to the meeting. All notices must include the date, time, and place of the meeting and the purpose of the meeting. The Cortez Police Chief shall be responsible for notices of meetings. Any Member Jurisdiction may request a meeting by sending a written request to the Cortez Police Chief.

Commented [HA21]: Used to be notice. Per my previous comment, this appears to remove jurisdiction authority to call a meeting and require jurisdictions to send a request to Cortez Police Chief, which may or may not be honored.

Where it is not possible or practical for **UG Members** to be physically present at any scheduled meeting, any **UG Member** may attend meetings through an electronic communication method by which all participating **UG Members** may simultaneously hear each other during the meeting.

All business concerning this Agreement shall be conducted only during publicly noticed meetings, which shall be open to the public.

D. Meeting Protocols. Except where more strict requirements are set forth in this Agreement, meetings shall be conducted in accordance with the Colorado Open Meetings Law, C.R.S. § 24-6-402. Minutes of these meetings will be taken and retained on file in the Cortez City Clerk’s Office.

E. Quorum for Meetings. In order to conduct business, a quorum of the User Group must be present, either in person or via an electronic communication method referenced in Section VI(C). A quorum shall consist of a minimum of six (6) UG Members.

VII. BOOKS AND RECORDS

A. Records and Accounts. The City of Cortez Finance Director shall maintain adequate and correct accounts of its funds, properties, business transactions, annual audits, or exemptions. Such records shall be posted as part of the City of Cortez’s overall financial report to the City of Cortez Web Page, once annual audits are completed.

Commented [HA22]: We no longer have the authority to request information, as part of the group, regarding dispatch. This appears to require us to wait until City of Cortez posts the information to the public, or complete a CORA request, which may be denied.

B. Annual Audit. The books and records of the City of Cortez Dispatch Fund shall be included in the City of Cortez’s annual audit. The audit shall be conducted by an independent Certified Public Accountant licensed to practice in the State of Colorado.

Commented [HA23]: Previous agreement used to require a separate audit of Dispatch Fund, it is now lumped in to annual audit.

VIII. DEFAULT

A. Intent to Terminate. In the event that any Member Jurisdiction fails to pay its share of the operating expenses when due, or fails to perform any of its covenants and undertakings required pursuant to this Agreement, that Member Jurisdiction shall be considered in default. The City of Cortez shall provide written notice of intent to terminate the defaulting Member Jurisdiction’s

status as a Member Jurisdiction, and to remove the Member Jurisdiction's UG Member from membership in the User Group. Notice of Default shall be provided to the defaulting Member Jurisdiction's governing board, council, or entity, providing such Member Jurisdiction thirty days from the date of such notice to cure the default. Upon failure to cure, the defaulting member shall not be entitled to representation as a Member Jurisdiction on the User Group and shall not receive services from the Dispatch Center.

B. Forfeiture. Except for the E-911 Authority, any Member Jurisdiction that is terminated under the provisions of this Section shall forfeit all right, title, and interest in and to any property or monies, liquid or investment funds acquired or held by the User Group to which the Member Jurisdiction may otherwise be entitled to receive upon the dissolution of this Agreement. This Section is not intended to limit the right of any Member Jurisdiction to pursue any and all other remedies it may have for breach of this Agreement.

Commented [HA24]: How is this affected by the change above which states that all assets are owned by the jurisdiction which purchased them?

IX. TERMINATION OF AGREEMENT

A. Term. This Agreement shall be in full force and effect commencing on the Effective Date of this Agreement, subject to amendments and addendums, for one year. This Agreement may be renewed in one-year increments. The Cortez Police Chief shall send a renewal draft to all UG Members no later than October 1st of each year. Member Jurisdictions will provide updated signatory authorization and a copy of the executed Agreement to the Cortez Police Chief no later than December 31st of each year.

Commented [HA25]: Used to be December 31

Commented [HA26]: Used to be January 31

B. Termination/Withdrawal. Any Member Jurisdiction's participation in this Agreement may be voluntarily terminated and the Member Jurisdiction may withdraw as a Party to this Agreement by written notice from the Member Jurisdiction to the User Group and the Cortez Police Chief at least sixty days prior to December 31st of any given year. Upon termination, the terminating Member Jurisdiction shall forfeit all right, title, and interest in and to any property or monies, liquid or investment funds, acquired or held by the Dispatch Center. A Member Jurisdiction that terminates/withdraws as a Party to this Agreement shall remain obligated to pay its share of that Member Jurisdiction's annual costs as identified in the Annual Budget, including, without limitation, its share of the Administrative Services Fee identified in Section V(E) of this Agreement, for the then current year and for the year following termination/withdrawal.

Commented [HA27]: Used to be January 1

Commented [HA28]: This is new and not agreeable.

C. Dissolution. Upon a vote to disband the Dispatch Center by a majority of the Member Jurisdictions, the powers granted to the User Group under this Agreement shall continue to the extent necessary to make an adequate disposition of the property, equipment, and monies required to fully disband the Dispatch Center and discontinue its operations.

D. Appropriation. Pursuant to Article X, Section 20 of the Colorado Constitution, the Parties' financial obligations under this Agreement and the renewal of this Agreement are expressly contingent upon the annual appropriation of funds sufficient to perform such obligation. Should adequate appropriations not be made by any Party, that Party's status as a Member Jurisdiction, and its rights to receive Dispatch Services pursuant to this Agreement shall automatically terminate. This Agreement shall never constitute a debt of any Party as defined by any statutory or constitutional provision.

X. MISCELLANEOUS

A. Notices. Any formal notice, demand, or request provided for in this Agreement, shall be in writing and shall be deemed properly served, given, or made if delivered in person, by facsimile, email, or sent by certified mail, postage prepaid to the Member Jurisdictions at the addresses each Member Jurisdiction may provide to the Cortez Police Chief in writing from time to time.

B. Amendments. The Member Jurisdictions may amend this Agreement from time to time. Any such amendment must be in writing and executed by the majority of the Member Jurisdictions.

C. Governing Law and Enforcement. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Colorado, and the venue for any legal action arising out of this Agreement shall be in the State District Court in Montezuma County, Colorado. If legal action is pursued to enforce or interpret this Agreement, the substantially prevailing Party in such legal action shall be entitled to payment of its court costs and reasonable attorney's fees.

D. Severability. If any provision of this Agreement is found by a court of competent jurisdiction to be unlawful or unenforceable for any reason, the remaining provisions shall remain in full force and effect to the extent possible.

Commented [HA29]: New - not acceptable.

E. Integration. This Agreement constitutes the entire agreement between the Parties, and no additional or different oral representation, promise, or agreement shall be binding on any Party with respect to the subject matter of this Agreement.

F. No Third-Party Beneficiaries. There are no intended third-Party beneficiaries to this Agreement.

G. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Parties to this Agreement, and each of their respective successors, assigns, or heirs.

H. Governmental Immunity. Nothing in this Agreement shall be construed or deemed a waiver of any and all rights and immunities of any Party, Director, Officer, or Employee under the Colorado Governmental Immunity Act, codified under C.R.S. Section 24-10-101, *et seq.* Further, nothing in this Agreement shall be construed as an indemnification between and among any of the Parties.

I. Duplicate Originals. This Agreement may be executed in several counterparts, each of which shall be an original, but all of which together shall constitute one in the same instrument.

IN WITNESS WHEREOF, the Member Jurisdictions have executed this Agreement as of the Effective Date.

APPENDIX OF ADMINISTRATIVE SERVICES

Pursuant to Section V, Subsection (E) of the Intergovernmental Agreement for Dispatch Services, executed effective _____, 2024, the City of Cortez shall provide the following administrative services at no charge to the User Group or the Member Jurisdictions.

a. **Legal Services.** The Cortez City Attorney (“City Attorney”) shall represent the Dispatch Center and its employees in all legal matters and provide legal counsel when requested, subject to any legal conflicts of interest, except for matters that are handled by outside legal counsel retained by the City’s liability insurance carrier, and except for legal matters that require specialized legal training or experience not possessed by the City Attorney. The City Attorney shall not represent individual UG Members or any Member Jurisdiction other than the City of Cortez.

b. **Financial Services.** The City of Cortez Finance Department shall assist the Dispatch Center User Group with usual and normal financial services needed to meet the financial requirements of a public entity that are related to the operation of the Dispatch Center, subject to any conflicts of interest, and except for financial services that require specialized financial training or experience not possessed by the City of Cortez Finance Department.

c. **Human Resources.** The City of Cortez Human Resources Department shall provide all employment-related services necessary to operate the Dispatch Center, including, but not limited to, assisting with employee hiring, employee termination, human resources policy consultation, and personnel issues involving employees of the Dispatch Center, except for conflicts of interest, and except for employment related services that require specialized training or experience not possessed by the City of Cortez Human Resources Department.

d. **Information Technology Services.** The City of Cortez, and Montezuma County (as necessary), Information Technology Department(s) shall provide general information technology services, including routine equipment maintenance. However, any equipment used by the Dispatch Center that requires specific training, expertise, or certification shall be handled by outside services or the equipment manufacturer, and any costs associated for such outside services shall be paid for by the E-911 Authority, and that equipment will remain the property of the E-911 Authority, or paid for by the Dispatch Center Fund, and the cost will be subsequently invoiced by the City of Cortez to the Member Jurisdictions.

e. **Facilities & Maintenance Services.** The City of Cortez General Services Department shall provide services related to the ongoing maintenance and upkeep of the Dispatch Center Facilities. However, any alteration, construction or remodeling of the Dispatch Center that, in the opinion of the City of Cortez, requires specific training, expertise, or certification, not possessed by City of Cortez Staff, shall be handled by outside services supervised by the City of Cortez, and paid for by either the E-911 Authority, for alteration, construction or remodeling related to E-911 Authority equipment, or, for all other alteration, construction or remodeling of the Dispatch Center Facilities, shall be paid for by the Dispatch Center Fund, and subsequently invoiced by the City of Cortez to the Member Jurisdictions.

STAFF REPORT

To: Honorable Mayor and Trustees
From: Heather Alvarez, Town Administrator
Date: February 28, 2024
Re: Resolution 7 Series 2024 In Opposition of HB24-1152 Accessory Dwelling Units Legislation

Recommendation

Approve Resolution 7 Series 2024 A Resolution of the Town Board of Trustees of the Town of Mancos Opposing State House Bill 24-1152 Regarding Accessory Dwelling Unit Preemptions

Background/Discussion

At the February 14, 2024 Board meeting, the Board of Trustees discussed the issue of local control in reference to House Bill 24-1152. They directed staff to bring a resolution in opposition of this legislation to this Board meeting.

HB24-1152 proposes legislation that would make Accessory Dwelling Units (ADUs) a use by right in single family residential districts in metropolitan areas.

While this bill does not immediately impact Mancos for several reasons (we are not a Metropolitan Planning Area and our code already allows ADUs as a use by right in SFR zoned districts), the larger idea to consider is the loss of local control if this legislation passes. Even if a Metropolitan Planning Area has rules in place regarding ADUs, this legislation would override those rules.

The Town of Mancos is more than capable of setting policy and legislation that directly relate to the betterment of our citizens' quality of life. We have addressed the ADU issue in our own community, with the input of the public during public listening sessions. The State of Colorado and the front range should not have the ability to decide what is best for Mancos.

Ultimately in this specific instance, we are fighting state overreach with regard to our local control and legislation for our citizens.

Resolution 7 Series 2024

TOWN OF MANCOS

Resolution 7 Series 2024

A Resolution of the Town Board of Trustees of the Town of Mancos Opposing State House Bill 24-1152 Regarding Accessory Dwelling Unit Preemptions

WHEREAS, for over a century, the State of Colorado has committed both in statute and in the state constitution to the local control of land use planning and zoning because local governments are closest to the land and to the people that occupy it; and

WHEREAS, the Colorado Supreme Court has consistently recognized that the exercise of land use planning and zoning to be a matter of local concern; and

WHEREAS, zoning and land use cannot be viewed separately from the impacts of proposed uses of land on surrounding properties and a community as a whole, including the ability to ensure adequate water and utilities; to provide enough public safety services, schools, and recreational services; to make sure that sufficient and safe infrastructure is available to handle increased population or more intense uses; to align development with the community's economic goals; to prevent displacement of existing people; to preserve important historical sites; to protect open space and the environment in general, and to implement a local comprehensive plan like the one that Town of Mancos adopted in 2023; and

WHEREAS, House Bill 24-1152 would usurp traditional local control of land use and zoning matters by requiring accessory dwelling units to be allowed as an accessory use to single-unit detached dwellings in select areas of the state, thereby replacing the judgment of local elected officials with the judgment of legislators and state regulators who lack the understanding needed to make appropriate decisions for local, rural communities; and

WHEREAS, House Bill 24-1152 will undermine municipalities' long-range planning efforts and will severely limit their ability to maintain reasonable zoning regulations to ensure a high quality of life and sound economic environment for their current and future residents, workers, and business owners; and

WHEREAS, House Bill 24-1152 infringes on citizens' rights by taking away the right to exercise their constitutional rights of initiative or referendum to address zoning and land use matters; and

WHEREAS, the Town of Mancos Municipal Code already permits accessory dwelling units, and the proposed legislation is an unnecessary infringement to Town of Mancos residents and our Municipal Code.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF MANCOS:

Section 1. It is the position of the Town of Mancos that the accessory dwelling unit issue is important, but that municipalities are best suited to regulate accessory dwelling units in their communities and that local collaboration and cooperation – not top-down statewide mandates and giveaways to special interests – are the solution to Colorado's affordable housing problem; and

Section 2. The Town of Mancos opposes House Bill 24-1152 and strongly urges its legislators to vote NO on this unprecedented and irresponsible preemption that is unneeded, unwelcome, and without consideration to existing local ordinances that already permit accessory dwelling units.

Section 3. Effective Date. This Resolution shall be effective immediately upon its adoption.

Passed, adopted and approved this 28th day of February, 2024.

Mayor Ellen “Queenie” Barz

Jamie Higgins
Town Clerk/Treasurer

Re: Unhoused Discussion

Recommendation

Board Discussion on setting date and preferred location on the unhoused population community meeting, and pick board members for the panel.

Background/Discussion

The board asked for this to be on the agenda. This meeting is for the board to speak to the public about the plan the Town of Mancos has for unhoused.

After the three board members are chosen for the panel, talking points created in conjunction with staff will be sent to the members.

Subject matter experts are willing to attend as long as the meeting date is not set for the week of spring break (March 18-March 22)

Policy Implications

Release of an agreement between the businesses and the Mancos Marshal's Office.

Re: Ballot Issue Discussion and Direction

Recommendation

Requesting Board Feedback and vote

Background/Discussion

The Board and Staff have discussed a possible ballot issue that would allow us to increase sales tax and restrict these proceeds legally to be used for either street improvements and maintenance, broadband or public safety.

At the September 13, 2023 workshop, we discussed an action plan to consult the citizens and conduct public outreach to ensure that our citizens were in favor of this idea. We worked with Magellan Strategies on this project, and a survey was published to solicit feedback. We received 211 responses.

At the close of the survey, citizens indicated strong support for a 0.3% sales tax increase to fund street and road paving projects and broadband infrastructure, with 72% voting yes and 23% voting no.

When the Marshal's Office was introduced, there is still an overwhelming approval of the job they are doing (77%) but there are mixed perceptions of whether crime has increased, with the largest group (36%) thinking that it has stayed the same. That being the case, it is again not surprising that a plurality of respondents, 44%, prefer that the sales tax increase only be spent on roads/broadband. Another 30% prefer an equal split between roads/broadband and public safety, and only 7% prefer that all of the increase go toward public safety.

Attached are the survey results and detailed response information for your review.

I would recommend that we move forward with a coordinated election in November 2024 with Montezuma County with this issue. I would also recommend that we restrict this revenue to streets, roads and broadband infrastructure improvements and maintenance based on the survey results.

However, this is entirely a Board decision, so staff is requesting your feedback and vote at this meeting.

If the Board votes to move forward with this project, additional information will be brought to you as the election calendar and process moves forward.

Sales Tax Increase Public Outreach Results

Magellan Strategies

Town of Mancos Ballot Measure Survey Topline Results

Magellan Strategies is pleased to present the topline results of an online survey of 211 residents of the Town of Mancos, Colorado. The interviews were conducted from January 17th to February 4th, 2024. This survey has a margin of error of +/- 6.05% at the 95 percent confidence interval. The survey data were weighted to represent the demographics of presidential election year turnout in the Town of Mancos, Colorado.

T1. To begin, could you please verify that you are 18 years old and live in the Town of Mancos, Colorado?

Yes..... 100%

T2. In your own words, what are the top two or three local issues or problems that you think the Town of Mancos should be addressing?

The top three themes were:

- 1. Infrastructure and Maintenance:** Routine maintenance of dirt roads, paving streets, and sidewalk repairs are consistently mentioned as critical issues. Residents are concerned about the poor condition of heavily used streets and sidewalks, emphasizing the need for regular maintenance and improvements.
- 2. Affordable Housing:** Affordable housing is a recurring theme, with residents expressing concerns about the cost of housing and the availability of rentals. There is a desire to address the lack of affordable housing options, both for residents and businesses, to ensure the town remains accessible to a diverse population.
- 3. Community Development and Services:** Supporting local businesses, attracting new businesses, and providing recreational opportunities for residents, especially youth, emerge as important themes. Additionally, there are calls for better community engagement, transparency in town decision-making, and the creation of spaces for community gatherings and activities. Residents are also interested in addressing social issues such as poverty, education, and providing support for families with school-aged kids.

The complete verbatim responses are in a separate document.

T3. From the following list of town services and programs, please indicate the importance of each one to the overall Mancos community.

	Very & Smwt. <u>Import</u>	Very <u>Imp</u>	Smwt <u>Imp</u>	Not Too <u>Imp</u>	Not Imp <u>at All</u>	No <u>Opin</u>
Supporting the local economy, business, and jobs	96%	68%	28%	4%	0%	0%
Street and roadway maintenance.....	94%	62%	32%	6%	0%	0%
Police, addressing crime and public safety needs	88%	53%	35%	10%	1%	1%
Residential & commercial planning, development	85%	49%	36%	11%	2%	2%
Building a reliable Broadband network	76%	30%	46%	14%	7%	3%

T4. How would you rate the condition of the streets and roads in your neighborhood? Do you consider them to be:

Excellent and Good Combined	25%
Excellent.....	3%
Good	22%
Fair.....	39%
Poor	35%
No Opinion	1%

T5. Do you approve or disapprove of the job the Mancos Public Works Department does maintaining local streets and roads?

Total Approve	63%
Total Disapprove	35%
No Opinion	2%
Strongly Approve	20%
Somewhat Approve	43%
Strongly Disapprove	16%
Somewhat Disapprove	19%

T6. Do you think the Town of Mancos has the financial resources needed to adequately maintain, repair, and improve the town’s streets and roads?

Total Yes	41%
Total No.....	41%
No Opinion	18%
Yes, Definitely	7%
Yes, Probably	34%
No, Definitely Not.....	6%
No, Probably Not.....	35%

T7. Do you agree or disagree with the following statement? *The Town of Mancos is fiscally responsible and spends taxpayer money wisely.*

Total Agree.....	61%
Total Disagree.....	17%
No Opinion	22%
Strongly Agree	17%
Somewhat Agree	44%
Strongly Disagree	3%
Somewhat Disagree	14%

T8. As you may be aware, some members of the Mancos community have discussed a local street and road paving project. This project would also include creating paved sidewalks, curbs, and gutters. Knowing this, do you support or oppose this paving project?

Total Support	72%
Total Oppose	25%
No Opinion	3%
Strongly Support.....	50%
Somewhat Support.....	22%
Strongly Oppose	11%
Somewhat Oppose	14%

Respondent Information

Before we continue, you should know that the Town of Mancos has not decided to place a ballot measure before voters to fund a project that would include paving every local street and road and the creation of sidewalks and curbs and would also include broadband infrastructure. However, your participation in this survey will strongly influence that decision. Let’s continue the survey now.

The 0.3% Sales Tax Uninformed Ballot Test

T9. The Town of Mancos is considering a ballot measure to create a 0.3% sales tax to fund a street and road paving project, the annual, ongoing cost of road maintenance and repair, and broadband infrastructure. A 0.3% tax will generate approximately \$100,000 annually.

If an election were being held today, would you vote yes and approve or vote no and reject a 0.3% sales tax increase to fund a street and road paving project, annual, ongoing road maintenance and repair costs, and broadband infrastructure?

Total Yes, Approve 72%
 Total No, Reject 23%
 Undecided 5%

Definitely Approve 50%
 Probably Approve 22%

Definitely Reject..... 13%
 Probably Reject..... 10%

Information Questions

We will now share information on why the Town of Mancos is considering a 0.3% sales tax ballot measure to fund a street and road paving project including sidewalks and curbs, annual, ongoing road maintenance costs, and broadband infrastructure. After reading the information about this project, indicate if you are more likely to vote yes and approve the ballot measure or if you are more likely to vote no and reject it. Let's get started.

Information Question	Total More Likely to Approve	Much More Likely to Approve	Smwt. More Likely to Approve	Total More Likely to Reject	No Diff.
The Town of Mancos has not increased the local sales or property tax since the 1990's. Since then, there has been an increased need for street and road maintenance.	75%	44%	31%	15%	10%
Some Mancos residents want to have more street-related events in and around town. If more streets were paved, organizing and hosting these events would be much easier.	68%	42%	26%	21%	11%
Broadband infrastructure is essential to bringing fast, reliable, and affordable high-speed internet to Mancos.	67%	37%	30%	20%	13%
The Town of Mancos understands that residents do not want to raise their local sales tax. However, unfortunately, there is not enough money in the general fund to pay for the local street and road paving project. That is why the town must consider a sales tax ballot measure.	65%	40%	25%	24%	11%
If the ballot measure is approved, the project's long-term plan includes paving most of the town's roads along with sidewalks and curbs. Menefee Street, Sunset, Bauer Ave., and Monte St. would be completed first. It is important to know that the Town of Mancos is not responsible for maintaining Main Street and Grand Avenue. Those roads are managed by the Colorado Department of Transportation (CDOT).	59%	38%	21%	26%	15%
The cost of paving one street block with sidewalks, curbs, and gutters is estimated at \$125,000.	59%	35%	24%	31%	10%

The 0.3% Sales Tax Informed Ballot Test

T16. Thank you for learning the reasons why the Town of Mancos is considering a 0.3% ballot measure to fund a street and road paving project, the annual, ongoing cost of road maintenance and repair, and broadband infrastructure. As a reminder, the 0.3% sales tax will raise \$100,000 annually.

We now ask you again, if an election were being held today, would you vote yes and approve or vote no and reject a 0.3% sales tax increase to fund a street and road paving project, the annual, ongoing cost of road maintenance and repair, and broadband infrastructure?

Total Yes, Approve	72%
Total No, Reject	23%
Undecided	5%
Definitely Approve	45%
Probably Approve	27%
Definitely Reject	15%
Probably Reject	8%

T17. Please describe why you would vote yes and approve a 0.3% sales tax increase to fund the street and road paving and broadband infrastructure project. **The top three themes were:**

- 1. Infrastructure Improvement Necessity:** Residents express the urgent need for road and sidewalk improvements, emphasizing the poor condition of current streets, the challenges posed by dirt roads, and the impact on vehicle maintenance. Paved streets are seen as essential for safety, cleanliness, and the overall desirability of the town. Broadband infrastructure is recognized as a crucial aspect for economic development, business growth, and improved quality of life, especially for remote work and education.
- 2. Community Growth and Economic Development:** Many residents highlight the importance of infrastructure improvements in attracting commerce, supporting a healthy tax base, and accommodating the town's growth. Paved streets are seen as contributing to increased property values, attracting tourists, and fostering a sense of community. Broadband is identified as a key factor in making the town more appealing to businesses and residents alike, addressing the needs of the growing population.
- 3. Tax Increase Acceptance for Essential Services:** Residents acknowledge the necessity of a tax increase to fund the proposed projects, recognizing that if the majority of residents want these improvements, there may be no other viable way to fund them. Some residents are willing to accept a tax increase for the greater good, understanding that it is a small price to pay for the long-term benefits of improved infrastructure and services.

The complete verbatim responses are in a separate document.

T18. Please describe why you would vote no and reject a 0.3% sales tax increase to fund the street and road paving and broadband infrastructure project. **The top three themes were:**

- 1. Prioritization of Taxpayer Money:** Many respondents express a belief that there are higher priorities for taxpayer money, such as education, community spaces, or addressing the affordability of living in Mancos. They question the necessity of paving roads and argue for allocating funds to more pressing needs.
- 2. Preservation of Small-Town Character:** A recurring theme is the desire to maintain Mancos' unique character and charm, often associated with unpaved roads. Residents express concerns that paving might lead to increased development, higher property values, and gentrification, potentially changing the town's identity.
- 3. Infrastructure Concerns and Lack of Information:** Some respondents voice concerns about the town's ability to manage infrastructure projects effectively. They suggest addressing existing issues like failing infrastructure, waterlines, and sewer systems before considering road paving. Others mention insufficient information about the estimated costs, environmental impact, and specific streets targeted for paving.

The complete verbatim responses are in a separate document.

Marshal's Office

We will change topics now and ask you a few questions about the Marshal's Office and public safety in the Mancos community.

T19. Do you approve or disapprove of the job the Mancos Marshal's Office is doing?

Total Approve	77%
Total Disapprove	9%
No Opinion	14%
Strongly Approve	39%
Somewhat Approve	38%
Strongly Disapprove	3%
Somewhat Disapprove	6%

T20. Do you think crime in the Town of Mancos has increased, stayed about the same, or decreased in the past few years?

Total Increased.....	28%
Total Decreased	15%
Stayed the Same.....	36%
No Opinion	21%
Definitely Increased.....	8%
Probably Increased.....	20%
Definitely Decreased	3%
Probably Decreased	12%

T21. Do you think the Mancos Marshal’s Office has enough financial resources to keep residents safe and provide an acceptable amount of public safety services?

Total Yes	47%
Total No.....	30%
No Opinion	23%
Yes, Definitely	13%
Yes, Probably	34%
No, Definitely Not.....	4%
No, Probably Not.....	26%

T22. As a reminder, the Town of Mancos is considering a 0.3% sales tax increase that would generate \$100,000 annually to fund a paving project that would include every local street and road, the creation of sidewalks and curbs, and broadband infrastructure. Would you prefer some or all of that sales tax revenue be allocated to the Mancos Marshal’s Office and public safety needs?

Prefer all revenue to be put toward roads and broadband	44%
Split equally between roads/broadband and public safety	30%
Prefer all revenue to be put towards public safety	7%
Unsure or No Opinion	19%

Now, we have some questions for statistical purposes only.

T23. Are you:

Female.....	55%
Male.....	44%
Identify Differently	1%

T24. Are you between the ages of:

18-34	21%
35-44	17%
45-54	16%
55-64	17%
65 or Older	29%

T25. How would you describe your household income?

Less than \$25,000	7%
\$25,000 to \$49,999	21%
\$50,000 to \$74,999	18%
\$75,000 to \$99,999	16%
\$100,000 to \$149,999	22%
More than \$150,000	8%
Prefer not to Say	8%

T26. For statistical purposes only, are you registered to vote as an unaffiliated voter, a Democrat, or a Republican, or are you registered with another political party, or are you not registered to vote?

Democrat	38%
Unaffiliated	36%
Republican	24%
Other Party	1%
Not Registered to Vote	1%

T27. Although it is a long way off, how likely are you to vote in a local ballot measure election next November to fund the street and road paving project?

Extremely	80%
Very	13%
Somewhat	4%
Unlikely	2%
Prefer not to say	1%

Survey Methodology

This survey utilized MMS text data collection, and the Town of Mancos promoted the survey to interview 211 adult residents. The survey data were weighted to be representative of the demographics of presidential election year turnout in the Town. The interviews were conducted from January 17th to February 4th, 2024. This survey has a margin of error of +/- 6.05% at the 95 percent confidence interval.

T6. Do you think the Town of Mancos has the financial resources needed to adequately maintain, repair, and improve the town's streets and roads?.....	45

Table 12

Before we continue, you should know that the Town of Mancos has not decided to place a ballot measure before voters to fund a project that would include paving every local street and road and the creation of sidewalks and curbs and would also include broadband infrastructure. However, your participation in this survey will strongly influence that decision. Let's continue the survey now.

T9. The Town of Mancos is considering a ballot measure to create a 0.3% sales tax to fund a street and road paving project, the annual, ongoing cost of road maintenance and repair, and broadband infrastructure. A 0.3% tax will generate approximately \$100,000 annually. If an election were being held today, would you vote yes and approve or vote no and reject a 0.3% sales tax increase to fund a street and road paving project, annual, ongoing road maintenance and repair costs and broadband infrastructure?

	Marshal's Office Has Adequate Resources					Preference for New Sales Tax Revenue

Table 13

We will now share information on why the Town of Mancos is considering a 0.3% sales tax ballot measure to fund a street and road paving project including sidewalks and curbs, annual, ongoing road maintenance costs, and broadband infrastructure. After reading the information about this project, indicate if you are more likely to vote yes and approve the ballot measure or if you are more likely to vote no and reject it. Let's get started:

T10. If the ballot measure is approved, the project's long-term plan includes paving most of the town's roads along with sidewalks and curbs. Menefee Street, Sunset, Bauer Ave. and Monte St. would be completed first. It is important to know that the Town of Mancos is not responsible for maintaining Main Street and Grand Avenue. Those roads are managed by the Colorado Department of Transportation (CDOT). Knowing this information, are you:

Table 17

T14. The Town of Mancos understands that residents do not want to raise their local sales tax. However, unfortunately, there is not enough money in the general fund to pay for the local street and road paving project. That is why the town must consider a sales tax ballot measure. Knowing this information, are you:

Table 19

T16. Thank you for learning the reasons why the Town of Mancos is considering a 0.3% ballot measure to fund a street and road paving project, the annual, ongoing cost of road maintenance and repair, and broadband infrastructure. As a reminder, the 0.3% sales tax will raise \$100,000 annually. We now ask you again, if an election were being held today, would you vote yes and approve or vote no and reject a 0.3% sales tax increase to fund a street and road paving project, the annual, ongoing cost of road maintenance and repair, and broadband infrastructure?
